

OLM Track News 3/29/10

Track updates:

- Due to circumstances beyond our control, we are no longer able to practice at Merced College on Tuesday evenings. They have offered us some limited practice time on Thursday afternoons instead. Please see the revised calendar below. We apologize for any inconvenience this schedule change may cause.
- We have added a new meet for Junior/Intermediate athletes on Tuesday, April 27...more info to follow.
- Please let us know (in writing) ASAP if your child cannot attend any portion of the Junior Olympics competition. We must submit our entries well in advance, so don't wait till the last minute to let us know.
- We are hosting our own track meet this Thursday, April 1. Please let us know if you are available to help. Those of you who have already committed to help, we are counting on you...thanks! If you have a shade canopy available, please plan to bring it...we need a few on the field and some in the stands as rain is predicted.
